

# Design a VE Day Medal

This medal celebrated the end of the First World War and was given to soldiers who had fought in active theatres of the war. It was a symbol of **great pride** but its design was also highly **symbolic**.

Bronze medal, not too expensive after the war, but long lasting.

Your challenge is to design a medal for British soldiers who served in the Second World War that is just as symbolic and creative.

You could use the above example to help you draw and design a new medal or if you have the resources available, have a look at the ideas below and maybe you'll be inspired by these ideas to make your own!
