

Home Learning		W/C: Monday 11 th May	Year: 4
<p><i>Message from teachers</i></p> <p><i>Mr Joyce: Hi, hope you and your family are well. Did a Youtube maths lesson for you! https://youtu.be/QLuyw5f8FBA Thanks to those who have sent me emails and pictures. Many of you have been learning to bake and cook which is fantastic. Remember my favourites are Rice Krispie cakes and Victoria sponge! Probably like a lot of you, my hair has got very long and am a little bit worried that when my wife cuts it, her only training is a Youtube video. I haven't practised playing the guitar lately but will persevere. Most of you are up to date on MyMaths- well done! Hope you managed to celebrate VE day and understood the importance of it. Hope to see you soon.</i></p> <p><i>Mrs Walker: Hello everyone. I very much enjoyed reading the emails some of you sent; thanks for that. We (that's me and Allan) have been working hard reshaping our little garden and I think it looks the best it ever has! I shall celebrate it with a BBQ with my children once we're allowed to although we had a BBQ altogether, but in our own gardens through the Zoom app. That was a bit odd! Can't believe we've still no football and it's not the same watching matches from years ago. Although at least I can choose matches that Arsenal won!</i></p> <p><i>As Mr Joyce says, keep doing your MyMaths when you have time. Well done to Stan, Max, Lewis and Ruby- I've put some more on for you four. Hope you've all managed to stay fit and healthy and hopefully see you soon.</i></p>			
	English	Maths	
Monday	Sensible Sentences: see attached PDF and choose the correct word to make them make sense. (No Need to print.)	See my video about equivalent fractions https://youtu.be/QLuyw5f8FBA What is $\frac{5}{10} = \frac{2}{6} =$ $\frac{3}{15} =$ (remember chocolate from video), $\frac{6}{8} =$ (hint what goes into 6 and 8) $\frac{15}{20} = \frac{3}{12} = \frac{7}{28} = \frac{16}{24} =$	
Tuesday	Spelling: learn words which have long a sound/grapheme (ei, eigh, ey) See https://www.spellzone.com/word_lists/list-916959.htm to practise.	Play and join https://www.youtube.com/watch?v=q39V2SASAVO Roll a single dice and then two dices and x and ÷ the number by 10 and 100. i.e roll a 5 5 x10, 5x100, 5÷10, 5÷100 Roll a 6 and a 7 67x10, 67x100, 67÷10, 67÷100	

Wednesday	Fronted Adverbials. Please follow this BBC Bitesize Lesson. Do not feel you need to do all the activities. Perhaps try 2 of them. https://www.bbc.co.uk/bitesize/articles/z7v4kmn	Do TT Rockstars 7 and 9 Check up to date with MyMaths
Thursday	Revision: using commas in a list. Please see attached PDF. (No need to print.)	Column method by multiplication. Remember to set it out correctly $\begin{array}{r} 23 \\ \times 5 \\ \hline 115 \end{array}$ 23x2, 15 x 5, 20x 6, 23x5, 32x4, 68x9
Friday	Reading Comprehension. Please follow this link for online activity, https://web2.uvcs.uvic.ca/courses/elc/studyzone/330/reading/raven-steals-the-light1.htm	Remember divide by the bottom x by the top to do fraction amounts. $\frac{3}{4}$ of 12 is $12 \div 4 = 3 \times 3 = 9$. $\frac{1}{4}$ of 16= $\frac{3}{5}$ of 20= $\frac{2}{3}$ of 21= $\frac{3}{7}$ of 49= $\frac{6}{9}$ of 36=

Enrichment Tasks

Music lesson ! Follow bbc bitesize lesson and learn about melody and pitch <https://www.bbc.co.uk/bitesize/articles/z7xsf4j>

Science: Classification Keys. Please see attached PDF and choose either the animal or leaf key to create yourself (or do both if you want to). Try the key out on a family member to check it works.

Geography/History: Brazil, Football and Pele. Please listen to the story on this Youtube link and then see the attached PDF about comprehension about Pele. <https://www.youtube.com/watch?v=cnSSjPRC-Rk>
