

## Moving to Secondary School

Moving to Secondary school can be exciting but there can also be things that you are a little worried about.

Circle in blue the things you are looking forward to and circle in red the things that you are worried about. You can add any others you can think of.

**Making new friends**

**following a timetable**

**Lunchtime**

**meeting new teachers**

**being in a tutor group**

**bells for the end of lessons**

**being in on time**

**getting to school**

**homework**

**school rules**

**being with friends**

**joining clubs**

**being with older pupils**

**learning new subjects**

**finding my way around**

**meeting my tutor**

**being able to do the work**
