

School Rules

All schools have rules. Sometimes we agree with the rules and sometimes we don't, but we know that if we break a rule we will probably get into trouble.

Rules are made for different reasons:

IT IS IMPORTANT TO KNOW WHAT THE RULES ARE.

IT IS IMPORTANT TO REMEMBER WHAT WILL HAPPEN IF YOU BREAK THE RULES.

Think about the rules that you would make if you were a headteacher of a secondary school. Write down five rules which will be easy to understand, easy to follow and which will help the school to run smoothly.

Which is the most important rule in your school?

Can you think of a rule which you feel is silly or unfair?
