

Home Learning	W/C: Monday 13 th July	Year: 1
<p>Dear Year One, We hope you enjoyed the Home Learning from last week. Please remember to keep reading to your adults at home. Hope you are all well. From, Mrs Dammery & Miss Revell.</p>		
	English	Maths
Monday	<p>LI: To listen to a story. Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-listen-to-a-story-729700 In this lesson, we will listen to the story of Eddie's garden and then answer some questions about it. You will need a piece of paper and a pencil.</p>	<p>LI: To share a number equally and find the number of groups. Watch this oak Academy lesson https://classroom.thenational.academy/lessons/to-share-a-total-equally-and-find-the-number-of-groups In this lesson you will practise sharing out items into equal groups. When you have finished have a go at one of the 'Feeding the owlets' activity sheets.</p>
Tuesday	<p>LI: To commit a set of instructions to memory. Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-commit-a-set-of-instructions-to-memory In this lesson, we will be doing an instruction map so that we can remember the key parts of planting a seed. You will need a piece of paper, plain if you have it, and a pencil.</p>	<p>LI: To share a number equally and find the number of groups. Watch this oak Academy lesson https://classroom.thenational.academy/lessons/to-share-a-total-equally-and-find-the-number-of-groups-b38102 In this lesson you will continue to practise sharing out items into equal groups. When you have finished there is a sheet called 'Sharing' in the resources.</p>
Wednesday	<p>LI: To understand how to make a noun plural. Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-</p>	<p>LI: To explore arrays. Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-explore-arrays-</p>

	<p>understand-how-to-make-a-noun-plural</p> <p>This lesson is all about plural nouns. We will be learning about adding the suffix -s to a noun to make it plural.</p>	<p>part-one</p> <p>In this lesson you will begin to look at arrays. When you have finished, have a look at the 'Making arrays-activity cards'.</p>
Thursday	<p>LI: To begin to write my instructions.</p> <p>Watch this oak Academy lesson https://classroom.thenational.academy/lessons/to-begin-to-write-my-instructions</p> <p>It is writing day. We will start to write our instructions today, using our instruction map to help us. You will need a piece of paper, lined if possible, and a pencil.</p>	<p>LI: To explore arrays.</p> <p>Watch this Oak academy lesson https://classroom.thenational.academy/lessons/to-explore-arrays-part-two</p> <p>In this lesson you will continue to look at arrays. When you have finished, there are some 'Maths Array Challenge cards' in the resources.</p>
Friday	<p>LI: To continue to write my instructions.</p> <p>Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-continue-to-write-my-instructions</p> <p>Today we will finish off our writing and then edit our work, making sure that we have punctuated our instructions accurately.</p>	<p>LI: To explore halves and quarters of quantities.</p> <p>Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-develop-understanding-of-halves-and-quarters-of-quantities</p> <p>In this lesson you will remind yourselves of our previous learning on halves and quarters. When you have finished complete the end of session quiz.</p>

Enrichment Tasks

- We are looking at Floating & Sinking. To start with please watch Maddie's – Do You know? Series 4.8 Floating and Sand.
<https://www.bbc.co.uk/iplayer/episode/m000hqz1/maddies-do-you-know-series-4-8-floating-and-sand>.
- Why not design your own boat, start by making a drawing of your boat. Remember to add labels to show the different parts of the boat. Can you remember the parts of the boat that were talked about in programme above?
- Next you could turn your design into reality. Using recycling and other materials that you have available at home, make your

boat and even test it in the bath or paddling pool. Does it float? Then think about what you would change if you were to make it again, to make it even better!
