

Home Learning	W/C: Monday 13 th July 2020	Year: 4
<p><i>Message from teachers</i></p> <p><i>Mr Joyce: Hi everyone. As it's the last week there is just a copy of videos to watch and a few quiz. It's great news that you are all coming in to school next week for a morning or afternoon and I'm really looking forward to seeing you all again. What a great shame we couldn't have the summer term together and this year has been so 'strange'. I think you all have coped fantastically well and make sure you say to your parents a big thank-you for helping you with their work. Keep reading, practising your times tables and maths but most of all have a brilliant holiday. All the very best</i></p> <p><i>Mrs Walker: Hi Everyone. Hope you are all ok. The Home Learning this week for Science is a booklet about teeth which you can do over the next few weeks as there's a comic strip story with various activities to do. You don't 'have to print it out though. There's also some Mindfulness challenges in PSHE- I liked the listening one which I did when walking in the woods, and also the breathing one with my Arsenal teddy! This is our last Home Learning before the summer holidays and so the end of year 4. It's a shame we were not able to complete the year altogether but I'm really looking forward to seeing you all when you come in for the session next week.</i></p>		
	English	Maths
Monday	Simple past tense practice. Please see the attached online game and attached PDF to have a go at. https://www.gamestolearnenglish.com/past-tense-game/	Watch the following and follow the examples. https://www.youtube.com/watch?v=KGMf314LUc0 https://www.youtube.com/watch?v=LGqBQrUYua4
