

Home Learning	W/C: Monday 18 th May	Year: 4
<p><i>Message from teachers</i></p> <p><i>Mr Joyce: Hi, hope you and your family are well. Did a youtube maths lesson for you https://www.youtube.com/watch?v=9J0j0m1pajl&feature=youtu.be Thanks again to those who have sent me emails and pictures, especially to Millie for sending me her facts on VE day. Email me the work you did on Pele! He was a fantastic player. Well done to all those who are up to date on MyMaths but seven of you didn't log in last week. Try and read regularly each day if possible. Stay safe and take care.</i></p> <p><i>Mrs Walker: Hello everyone. Hope you are all keeping well. Have really enjoyed your emails and especially Sam Munday's Powerpoint about Brazil- well done Sam. Remember if you want to send me a message, picture or anything you'd to share with me, you can do it through the school office website and they will send them on. I watched some fabulous films on YouTube about Pele and that led me to seek out some clips of other great players like Dennis Bergkamp.</i></p> <p><i>Below is this week's Home Learning. Remember just do what you can and don't stress. If you like, take a look at the Premier League Primary Stars site; here's the link to their home fun activities https://plprimarystars.com/home-learning/fun-activities Stay well.</i></p> <p><i>(nb: Remember to check in to MyMaths, if you can, and there's some more for Stan, Ruby and Ethan as they are up to date-well done!)</i></p>
