W/C: Monday 20<sup>th</sup> April

Year: 3

Hello!

We hope you are all keeping safe and are in good health. Have you been helping your adults around the house? Now is the perfect opportunity to learn some life skills! How good are your washing up skills, for example?

“I have been very lucky and watched a family of pigeons nest on my balcony! They laid two eggs but, unfortunately, only one of them has hatched. Here is a picture of the mother on the nest.” – Miss Khan.

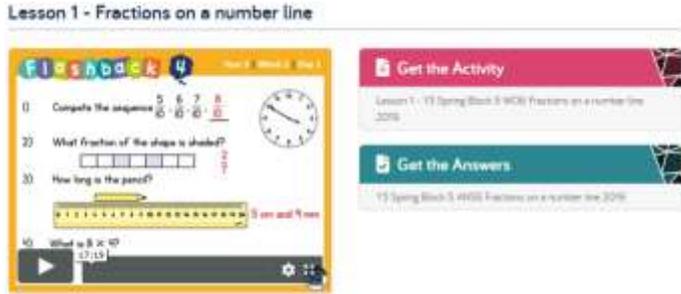

“I have been practising my baking skills and was tempted by a Jamie Oliver video to make some bread. It tasted amazing and so I’m definitely going to make some more. I wonder what other flavours I could try!” – Mrs Stephens.

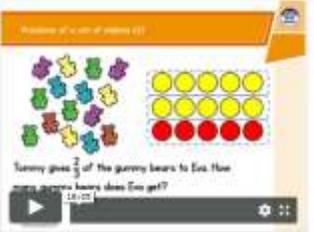

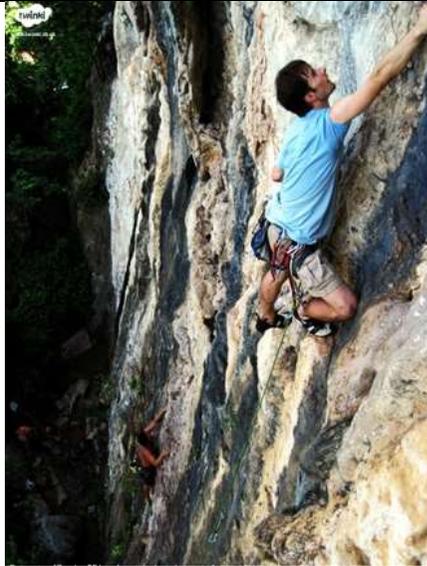

Here are some more learning activities for you to keep your brains and hands active.

Thinking of you,  
Miss Khan & Mrs Stephens

Predict what Happens Next...

Mike and his friend Joe are experienced rock climbers enjoying what they do best. However as the sky begins to cloud over quickly, spots of rain fall.

**What happens next?**

- What dangers are there around Mike?
- What problem could happen to Mike?
- How could it be fixed?
- How do Mike and Joey finish the story?

## Enrichment Tasks

This term we would have been learning about the Tudors:

- Create a mind map about what u already know about the Tudors.
- Write a list about what you would like to find out and get your adult to email it to the school, [office@fairways.southend.sch.uk](mailto:office@fairways.southend.sch.uk)

- Draw a detailed picture of Henry VIII, you can use shading skills with your pencil or coloured pencils.

- To name and locate countries and cities of the United Kingdom.

- 1) Locate the countries that make up the UK on a map.
- 2) Name the capital cities of the countries of the UK.
- 3) Label key cities in the UK on a map.

Use an atlas if you have one at home to locate the places or alternatively go online.  
Please see the attached document 'Lesson presentation and UK cities'.
