Monday	<p>Katie in London</p> <p>Watch this lesson</p> <p>https://classroom.thenational.academy/lessons/katie-in-london</p> <p>In this lesson, you will hear the story of Katie in London, a little girl who goes on a big adventure in a big city. You will need a piece of paper and a pencil.</p>	<p>LI: To use comparison when discussing capacity</p> <p>Watch this lesson</p> <p>https://classroom.thenational.academy/lessons/to-directly-compare-the-capacities-of-two-containers</p> <p>In this lesson you will recap your previous learning on capacity. Have a look around your house and find some containers that hold different amounts of liquids. Can you use the comparison language to discuss their capacity.</p>
Tuesday	<p>LI: To commit a story to memory</p> <p>Watch this lesson</p> <p>https://classroom.thenational.academy/lessons/to-commit-a-story-to-memory</p> <p>Now is the time for us to commit our story of Katie in London to memory. We are going to be drawing a story map to help us to do this. You will need a piece of paper and a pencil.</p>	<p>LI: To use comparison when discussing capacity using non-standard units</p> <p>Watch this lesson</p> <p>https://classroom.thenational.academy/lessons/to-indirectly-compare-the-capacities-by-measuring-in-non-standard-units</p> <p>In this lesson you will continue to recap your previous learning on capacity. Why don't you find some containers and fill them with water? Use some smaller containers to work out how many small containers fill a larger container.</p>
Wednesday	<p>LI: To use capital letters for proper nouns</p> <p>Watch this lesson</p>	<p>LI: To compare volume</p> <p>Watch this lesson</p>

	<p>https://classroom.thenational.academy/lessons/to-use-capital-letters-for-proper-nouns</p> <p>When Katie is in London, she visits lots of special places. In this lesson, we are going to be learning about using capital letters for names so that we can write the names of the places Katie visits accurately, later on in the week. You will need a piece of paper and a pencil.</p>	<p>https://classroom.thenational.academy/lessons/to-compare-different-volumes</p> <p>In this lesson you will use the correct language to describe volume.</p>
	<p>This brings us to the end of the school year! However, each of the units of work you have been doing this week consist of 5 lessons. If you would like to complete the week of work, the final two lessons for each subject can be found below:</p> <p>English: https://classroom.thenational.academy/lessons/to-begin-to-write-our-story</p> <p>https://classroom.thenational.academy/lessons/to-continue-to-write-our-story</p> <p>Maths: https://classroom.thenational.academy/lessons/to-apply-understanding-of-halves-and-quarters-to-capacity</p> <p>https://classroom.thenational.academy/lessons/to-introduce-a-litre-as-a-standard-unit-of-measure</p>	
<h3>Enrichment Tasks</h3>		
<ul style="list-style-type: none"> As we are nearly at the end of Year One, let's celebrate and have a pretend party! Why not watch Oti's Boogie Beebies (Series 1:2 Get Dancing) and learn a new dance - https://www.bbc.co.uk/iplayer/episode/m000jsdq/otis-boogie-beebies-series-1-2-get-dancing As it is our pretend party, why not design an invitation that you could send out to those you wanted to invite. Use your imagination, how could you make it a party that no one could possibly refuse! What party food & drink would you serve? What would be on the menu? Create a picture to show what food & drink would be available. Remember it is pretend, let your imagination run free! Enjoy.
