

Home Learning	W/C: Monday 20 th July 2020	Year: 2
<p>A big hello to all of our wonderful Year 2 learners,</p> <p>Wow, we cannot believe that your time as Year 2 learners is coming to an end. It has been a very unusual year but one that we will treasure because it gave us (even if only for a short while) the chance to get to know you all and all of the wonderful talents that you possess. You will forever hold a special place in our hearts and we are ever so EXCITED to see you at Fairways on Tuesday 😊 We would like to take the time to thank every single one of you for working so hard, being kind to your friends and a responsible member of Year 2. We have a little poem for you to let you know just how special you are.</p> <p>You are all very special, And we want you to know, Although our year was cut short, We're so proud of how you did grow.</p> <p>We've loved getting to teach you, Watching you learn, laugh and play And we can't wait for the adventures new That will soon be coming your way.</p> <p>Come back smiling in September, Because you have lots to be excited for, A new year to remember, And more fun to be had as soon as you walk through the door.</p> <p>What we have tried to teach you, To last your whole life through, Is to always know that you are special, Just because you are YOU!</p> <p>Love from,</p> <p>Miss Glynn and Miss Frith</p>		
	Morning Enrichment Tasks	Afternoon Enrichment Tasks
Monday	MEET YOUR NEW TEACHER DAY! 😊	
Tuesday	This year might have been a strange one but the time that we all	The Year 6 children who are currently in school have been making

	<p>spent together was amazing and certainly a year to remember! As another door opens, we thought that you could reflect on your fantastic year together whilst thinking about your exciting year ahead!</p> <p>Fill out the pages in the 'Spreading My Wings From Year 2 to Year 3' booklet (attached).</p> 	<p>these origami butterflies that feature positive messages on them for the rest of the school to see when they return to Fairways in September.</p> <p>Why not try making some of your own to place around your bedroom!</p> <p>Here is the link: https://www.youtube.com/watch?v=nWjEYIMZnhE</p> 
Wednesday	<p>Time capsules are an excellent way of capturing all of the incredible memories that you've had and putting them in one place to treasure. They are usually made to be buried in the ground for someone else to dig up years down the line but you don't have to bury yours if you don't want to.</p> <p>Have a go at making your own time capsule like the one below using only an empty plastic bottle and some coloured (or white) paper. Start by cutting the paper into small squares and write a special memory on each square. When you've filled up your time capsule, place the lid on and cherish your memories forever!</p>	<p>We appreciate how hard you have been working both at school before lockdown and at home so we feel as though you deserve a little party! What would you want to do at your party? Maybe you could try:</p> <ul style="list-style-type: none"> • Decorating the house with balloons, posters or paper chains • Playing games such as Pictionary or musical statues • Playing your favourite music • Asking your grown ups what yummy snacks you could have (maybe you could even make some?) • Design your own certificates for the best dancer and the winner of the games • Try giving your friends a call so you can all party together!

If you'd rather draw your time capsule than make one then check out the link below:
