

Home Learning	W/C: Monday 22 th June	Year: 4
<p>Message from teachers</p> <p><i>Mr Joyce: Hi everyone. I was busy in school last week teaching to the key workers from Reception to Year 3. It was good to see Ralph again, as well as Leonidas and Kasra when they came to collect their PE kits. As I'm writing this, I'm looking forward to seeing football again on the television and hopefully West Ham will win a few games. I've changed the Maths this week. Let me know how you get on and what you prefer. For those who wish to extend themselves you can always look at the year 5 lessons on MyMaths. Look after yourself.</i></p> <p><i>Mrs Walker: Hi everyone, I trust you're all ok. I've been a lot busier teaching children in my year 4 and 5 bubble. I'm feeling very upbeat - Premier League back this week and I can't wait to watch Arsenal on Wednesday (even if we lose)! I hope you are enjoying finding out about The Amazon and this week it's animals. There's loads online but remember to always check the site's authenticity and that it is suitable for children of your age. Take care.</i></p>		
	English	Maths
Monday	Paragraphs. Please see the attached PDF -no need to print.	Complete the following quiz and click on 'learn with example' if you can't remember what to do. https://uk.ixl.com/math/year-4/add-subtract-multiply-and-divide Follow the lesson for today on BBC Bitesize Home Learning and complete the activities.
