<p><b>Message from teachers</b></p> <p><i>Mr Joyce: Hi Hope you enjoyed the youtube video last week and I hope to do another next week. Thanks to Toby and Felix for their emails, to Harvey for sending me a photo of his fantastic new haircut and to Isaac for sending me photos of a fox's skull that he found by the brook in Belfairs. Would be nice to hear from some girls? Please email me at <a href="mailto:office@fairways.southend.sch.uk">office@fairways.southend.sch.uk</a> to let me know how you are, what you've been up to and what you think of the you tube video. If you can, please attempt any outstanding MyMaths. For whiterose maths, don't feel you have to print the sheets, just write answers on a piece of paper. BBC bitesize (accessible via bbc iplayer) and <a href="http://www.thenational.academy">www.thenational.academy</a> (Govt online classroom) both have some excellent videos. Two birthdays this coming week; Ellie-Rose is on Monday 27<sup>th</sup> and on Sun 26<sup>th</sup> it's mine. I can't believe I'll be 30!! Keep well, listen to parents, don't argue with siblings and have fun!</i></p> <p><i>Mrs Walker: Hi everyone, hope you're ok. Please see the English and Enrichment Activities below and do what you can. Please don't feel you have to print the PDFs out- just use as a prompt to answer in your head or write on a piece of scrap paper. Been a bit of a tricky week for me but finding if I exercise, go on long walks, do some quizzes on Zoom with my own children, then I stay more positive. It would cheer me up a lot if you could write me what you've been up to. You can email me at <a href="mailto:office@fairways.southend.sch.uk">office@fairways.southend.sch.uk</a> and they will be passed on to me. Take care.</i></p>
