

Home Learning	W/C: Monday 27 <sup>th</sup> April 2020	Year: 3
<p>Hello Year 3,          Hope you are all keeping well and enjoying what you can of this beautiful weather. This week's home learning has been explained by a video clip <a href="https://youtu.be/m0eEjXM9Nv4">https://youtu.be/m0eEjXM9Nv4</a> which I hope you find useful. I have also gone through an online resource which I think could be beneficial for some of you to use if you like but is not compulsory at all- just there for extra support. Our expectations are; do what you can from the home learning to keep your minds ticking and refreshed but do not stress if you haven't completed all of the tasks. Like I always say 'Just try your best, that's all I expect.' Mrs Stephens and I have decided that we will take it in turns to make a video clip for the children explaining the home learning.          Take care and thinking of you all.          Miss Khan &amp; Mrs Stephens</p>

## Enrichment Tasks

- Put the Tudor family in order. Either cut the pictures out or draw them and put them in order.

Can you write some facts about Henry VIII's family.

Please see the attached power point document 'Introduction to the Tudors.'

- Draw a picture of the Tudor Rose and colour it in.
- Can you write some facts about the Tudor Rose- where did it originate from?

Keep a little journal every day,  
write down:

1. One thing that made you smile
2. One thing you are thankful for
3. One thing you are looking forward to
4. One thing you are going to do tomorrow (could you try something new?)

These are some links which are only suggestions that you could try using with the children.
