

Home Learning	W/C: Monday 29 th June	Year: 4
<p><i>Message from teachers</i></p> <p><i>Mr Joyce: Hi everyone. Well it didn't take long to get depressed with the football, with West Ham losing their first game back, but at least both my boys remembered it was Father's day. The weather has been great though and I have been playing a lot of tennis. I hope you have been wearing sun hats and putting sun protection on. Over the last couple of weeks we've had 24/29 attempt MyMaths which is the more than any other class in the school so well done. However, at the beginning of lockdown we did get up to 28/29 so it would be great if we could match that. Remember to look at the lesson before hand or email me if you really have problems. Take care</i></p> <p><i>Mrs Walker: Hi year 4. Well, like Mr Joyce, am feeling pretty despondent about Arsenal- two games, two defeats. Still, never give up believing! I consoled myself with going shopping as all the shops are now open. I also had a lovely time seeing my daughter for the first time in three months, as she does not live that local. Just wish I could see all you as well. Stay well.</i></p>		
	English	Maths
Monday	Identifying nouns. Please see the attached PDF -no need to print.	Complete the following quiz and click on 'learn with example' if you can't remember what to do. https://uk.ixl.com/math/year-4/read-a-thermometer Follow the lesson for today on BBC Bitesize Home Learning and complete the activities.
