

Home Learning	W/C: Monday 6 th July	Year: 1
<p>Dear Year One,</p> <p>Hope you are all well and enjoyed the cooler weather last week. It certainly was a welcomed relief!</p> <p>It is incredible to think that it is two and a half weeks until the end of our school year, how the time has flown.</p> <p>We hope that you enjoy the home learning below.</p> <p>Take care,</p> <p>Mrs Dammery & Miss Revell.</p>		
	English	Maths
Monday	<p>LI: To listen to an information text. Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-listen-to-an-information-text</p> <p>In this lesson, we will listen to an information text about a fictional creature called a green-winged flay. We will then answer some questions on it.</p>	<p>LI: To find double and half using money. Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-find-double-and-half-of-an-amount-of-money</p> <p>In this lesson you will be thinking about finding half and double of an amount but linking it to money. When you have finished the video, have a go at the doubling and halving sheet in the resources.</p>
Tuesday	<p>LI: To create a creature. Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-create-a-creature</p> <p>In this lesson, you will have a chance to create your own creature. You will need to think carefully about the different parts of its body.</p>	<p>LI: To recognise and add equal groups. Watch this Oak Academy lesson https://classroom.thenational.academy/lessons/to-recognise-and-add-equal-groups</p> <p>In this lesson you will look at equal groups and how to add them. You should hopefully remember doing something like this at the start of lockdown. When you have finished try the end of lesson quiz and then have a go at creating your own equal groups with some objects at home. Can you write a number sentence to add your groups?</p>
Wednesday	<p>LI: To develop my creature. Watch this Oak Academy lesson</p>	<p>LI: To add equal groups. Watch this Oak Academy lesson</p>

	<p>https://classroom.thenational.academy/lessons/to-develop-my-creature</p> <p>In this lesson, we will be thinking about where our new characters live, their habitat, and what they eat, their diet. You will need a piece of paper and a pencil.</p>	<p>https://classroom.thenational.academy/lessons/to-add-equal-groups</p> <p>In this lesson you will use your counting and other methods to add equal groups. When you have finished try the end of lesson quiz.</p> <p>If you would like some extra work, have a go at the 'Counting equal groups' sheet in the resources.</p>
Thursday	<p>LI: To begin to write my information text.</p> <p>Watch this Oak Academy lesson</p> <p>https://classroom.thenational.academy/lessons/to-begin-to-write-my-information-text</p> <p>In this lesson, we will start to write our information text. You will need a piece of lined paper and a pencil.</p>	<p>LI: To solve problems using repeated patterns.</p> <p>Watch this Oak Academy lesson</p> <p>https://classroom.thenational.academy/lessons/to-solve-problems-using-repeated-patterns</p> <p>In this lesson you will solve problems involving the number of sides of a group of shapes using adding of equal groups. When you have finished, have a go at the end of lesson quiz.</p>
Friday	<p>LI: To continue to write my information text.</p> <p>Watch this Oak Academy lesson</p> <p>https://classroom.thenational.academy/lessons/to-continue-to-write-my-information-text</p> <p>Today, we will complete our information texts and edit our work to ensure that we have all included our own ideas.</p>	<p>LI: To share equally between a set number of groups.</p> <p>Watch his Oak Academy lesson</p> <p>https://classroom.thenational.academy/lessons/to-share-a-total-equally-between-a-set-number-of-groups</p> <p>In this lesson you practise sharing items into groups. When you have finished, try the end of lesson quiz.</p> <p>If you would like some extra work, have a go at the 'Dinosaur egg sharing' sheet in resources.</p>

Enrichment Tasks

- In school we are thinking about the countries that would have been taking part in the Olympics. You can find a list here https://en.wikipedia.org/wiki/List_of_participating_nations_at_the_Summer_Olympic_Games Why not choose a country and find out 5 interesting facts about it. If you would like to find out more about the history of the Olympics, there is a PowerPoint in the resources.
- Why not find out if there are traditional food items eaten in the country that you have chosen. Can you draw the food and add labels around it to explain your drawing?
- Research the flag for your country. What does it look like? Can you create a piece of artwork to show the flag? A painting, colouring or collage with what you have at home.
