Monday	<p>Story: Reading Comprehension – Predict and Inference https://www.thenational.academy/year-3/english/story-reading-comprehension-predict-and-inference-year-3-wk6-1</p> <p>Introductory Quiz Video - Click on the play button to start the video. This video is the longest video of the week as the teacher is explaining the work in detail for children to understand properly what is required by them. The following days lessons aren't as long. You can forward some parts of the video if you think they are too long but I think it would be good for you all to listen attentively to the instructions. Worksheet - These slides will take you through some tasks for the lesson again. Final Quiz – Lesson complete.</p>	<p>To describe 2-D shapes based on their properties https://www.thenational.academy/year-3/maths/to-describe-2-d-shapes-based-on-their-properties-year-3-wk6-1</p> <p>Work through the lesson step by step.</p>

Enrichment Tasks

- History- Listen to Barney telling you about the differences between rich and poor in Tudor times. Once you've listened to the information, draw an example of a rich meal and a poor meal.

- Music - Take a look at this film where Karim Zeroual, star of BBC's *Strictly Come Dancing*, meets some of the dancers from The Royal Ballet, and takes part in the Mad Hatter's tea party. In this activity, we're going to have a go at learning the 'body percussion' motif in this film. Or you could try to make your own one up.

- PE with Joe Wicks
How have you been doing with Joe? Have you noticed an improvement? Can you do more squats in 30 seconds than when you first tried doing them?
