# Following Rules

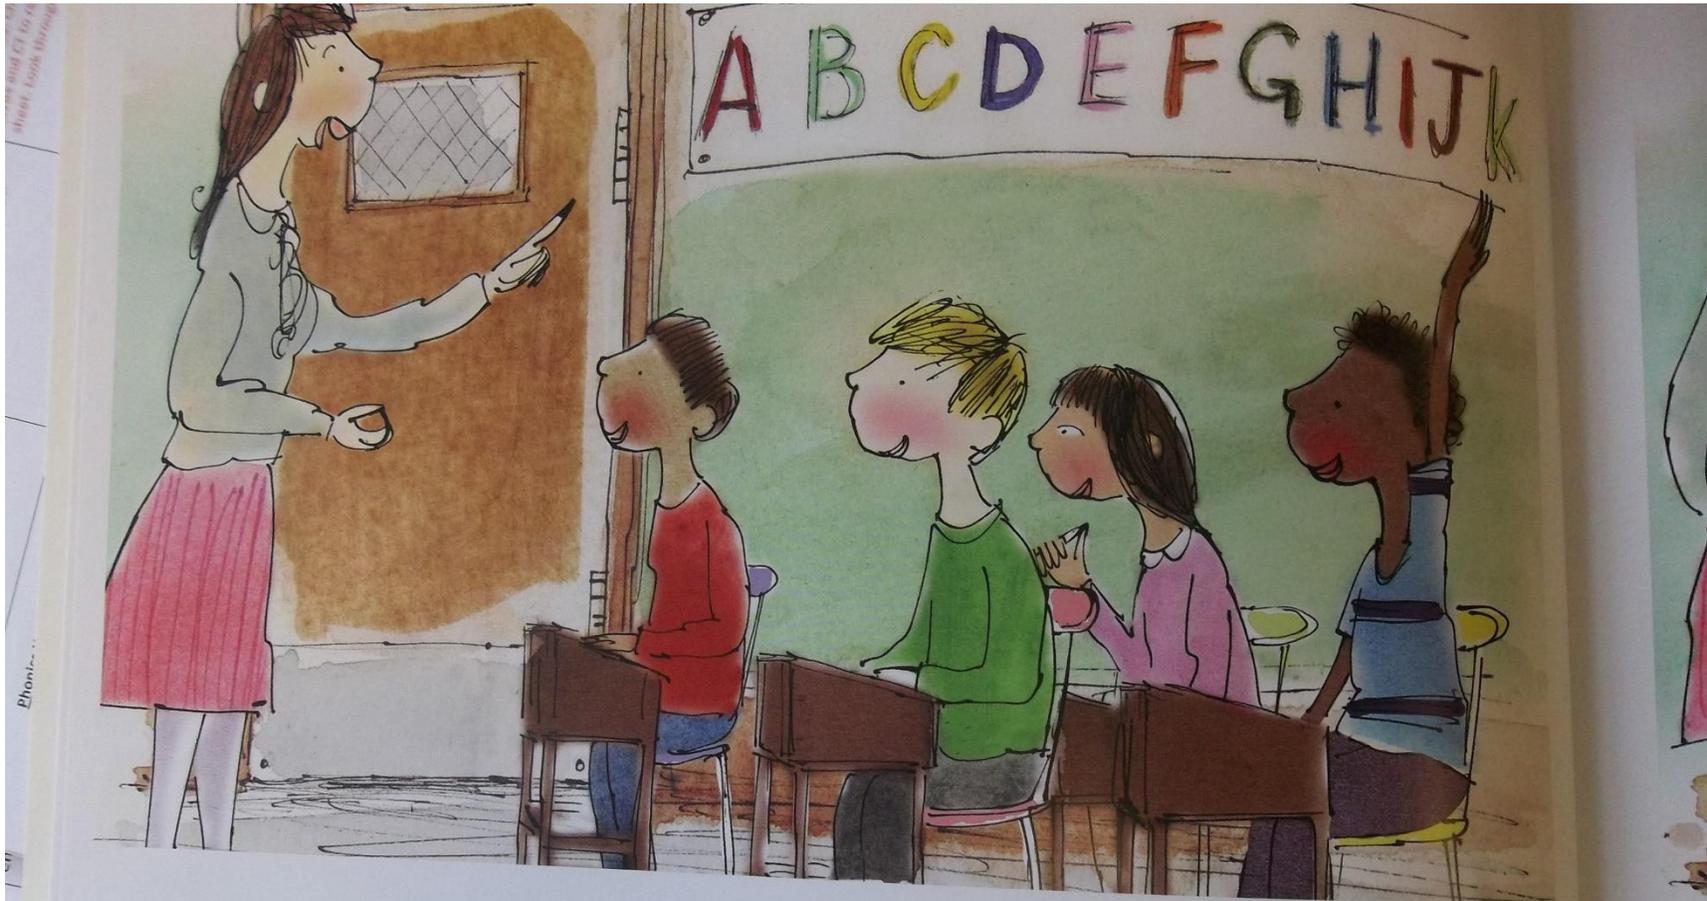

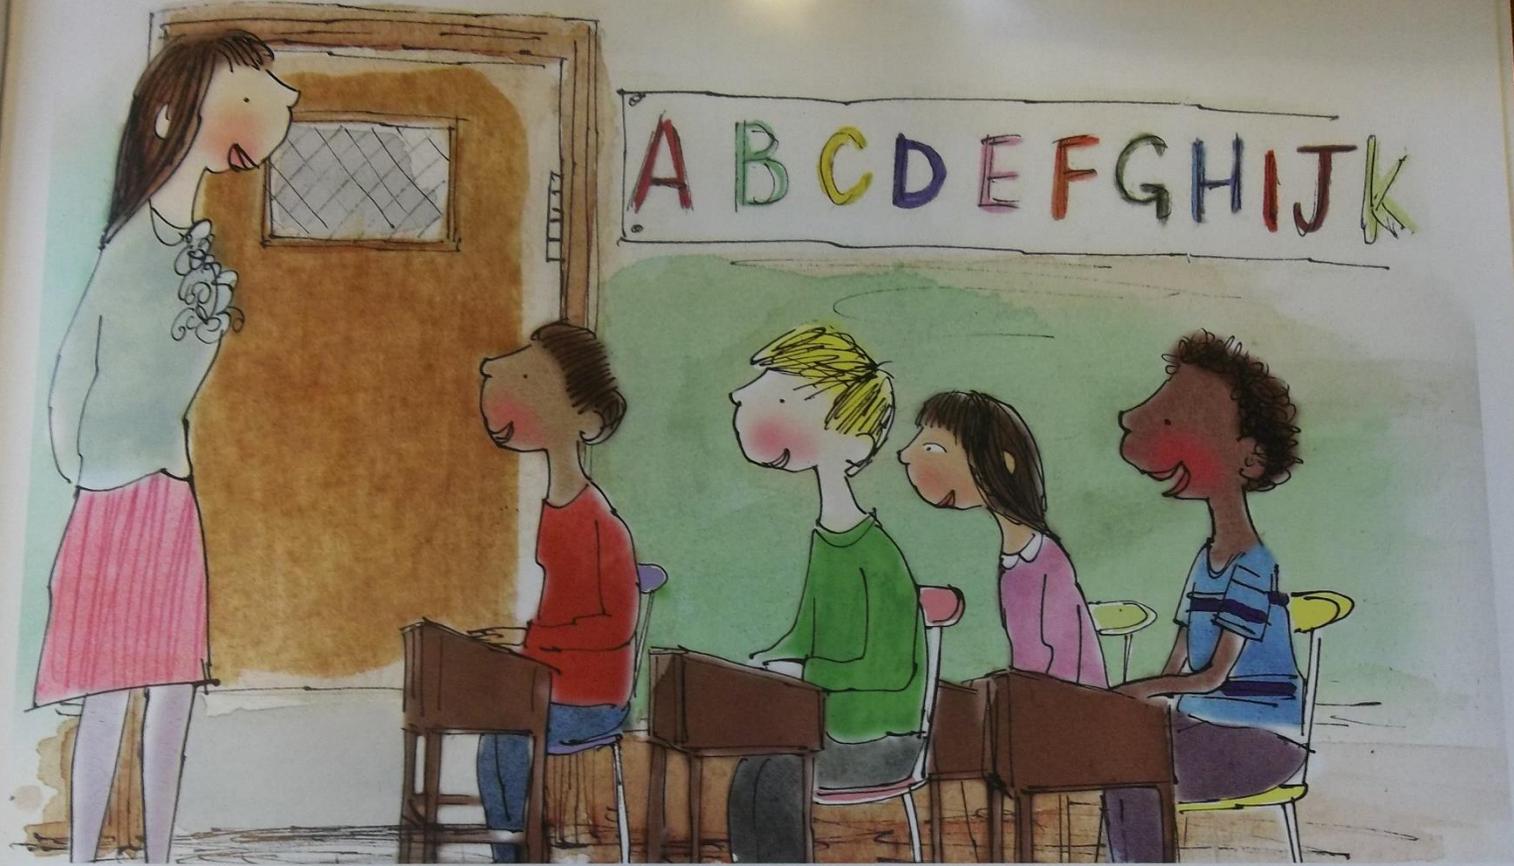

Following rules means doing things the right way.

Following rules makes it fair  
for everyone.

When you put up your hand and  
do not call out ...

you are following the rules.

When you ask before taking something ...

you are following the rules.

When you wait for the  
teacher's instructions ...

you are following the rules.

When you ask before you do  
something ...

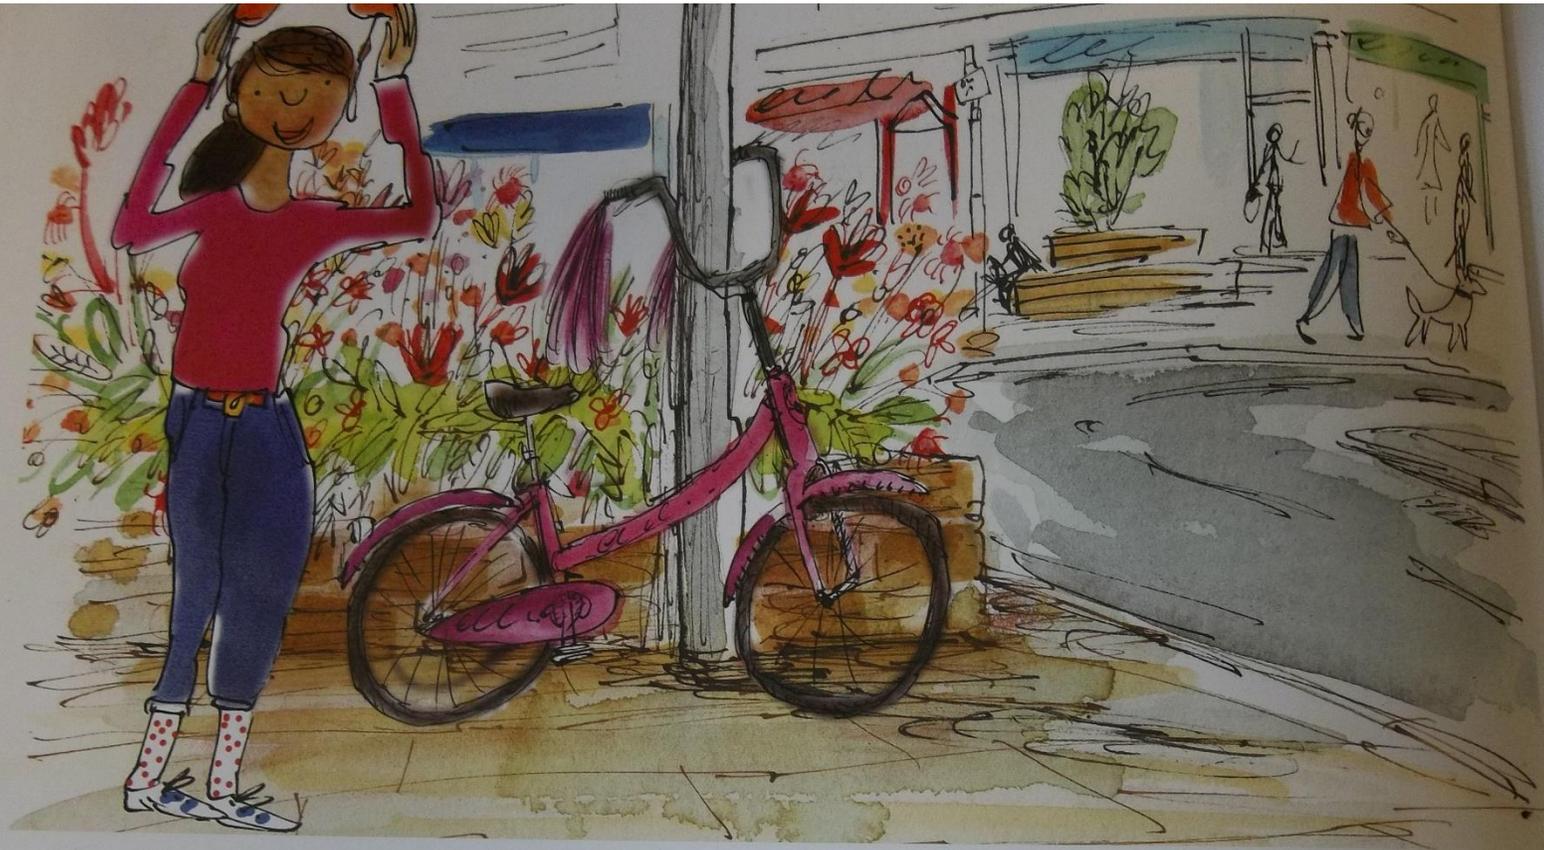

you are following the rules.

When you walk quietly down  
the corridor ...

you are following the rules.

When you think about  
road safety ...

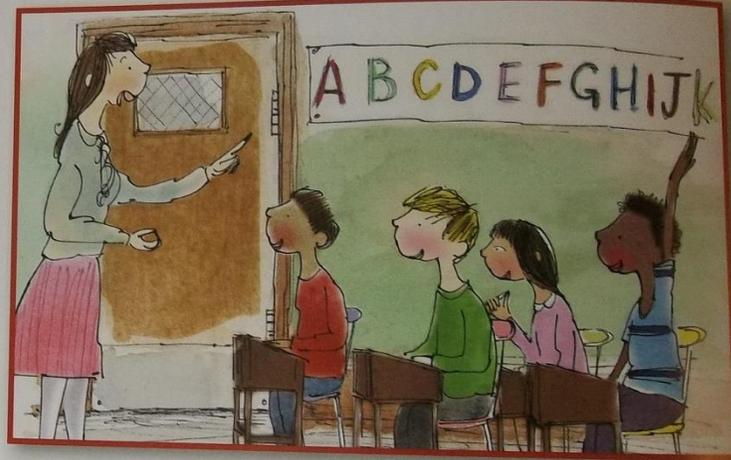

you are following the rules.

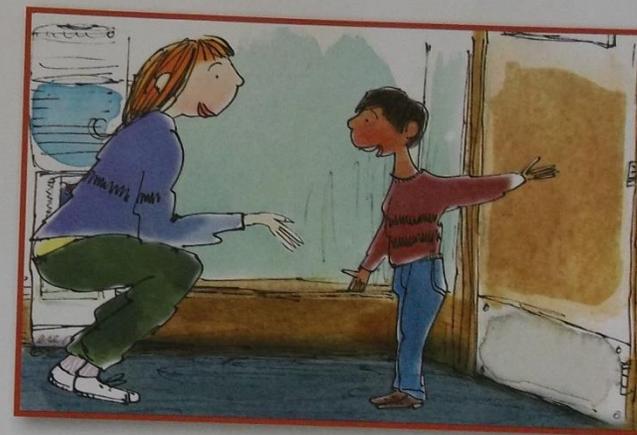

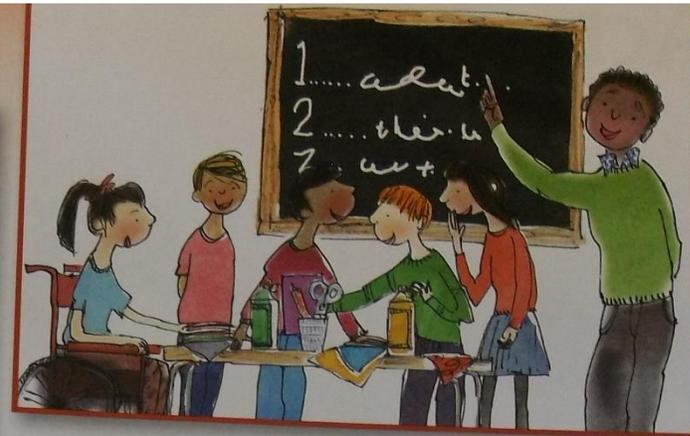

When you listen to what someone  
tells you ...

you are following the rules.

It is important to follow rules.

How do you follow the rules?

# Activity

How are these children following the rules?
