On the way, Kit and Sam drew pictures of the things they might need. “Can we have fish for tea?” said Sam. “Fish is my favourite!” “Of course,” said Mum.

Kit and Sam helped Mum to get everything they needed and put it carefully in the trolley. They even got a special long cake for dessert.

“We still haven’t found the fish,” said Sam, disappointedly.

“Hang on,” said Mum, “here it is!”

As they turned into the aisle, Kit and Sam saw a huge stall with lots of different fish!

Mum got out her cash and paid at the till. Kit and Sam helped to put the shopping into Mum's carrier bags. "I can't wait for tea!" said Sam. "I am glad we found the fish," said Kit, "but I'm glad we found the cake too!"
