

How to Draw a Funny Character

Write an algorithm that someone else could follow to draw a crazy character.

Draw what you think each part of your character will look like in the left-hand column. Write specific instructions in the right-hand column.

How to draw a funny character called _____.

My Algorithm	
What I imagine someone else to draw:	Instructions:

Read your algorithm to a friend. Did they draw what you expected them to draw? If not, was your algorithm as detailed or clear as it should have been?
