- When the music stops, call out one of the words listed below.
- The children run to the corner that shows the poster with the correct GPC for that word.
- Remind the children to use their ears to hear, listening very carefully for the digraph or trigraph in each word.
- Children who have gone to the wrong corner are out (or miss one turn).
- Play continues until there is one child still in the game, who is the winner. Alternatively, choose an appropriate length of time to play for.
