So we have decided to offer some suggestions for learning opportunities that you can pick from each week, depending on what resources you have at home. These suggestions will be the same each week, but we would like you to try to pick a different one each time. Why not try playing with a different toy that you haven't played with for a long time.</p> <p>*Play doh *Kapla/Jenga *Jigsaws &amp; puzzles *Cutting activities- many cutting skills sheets can be downloaded from the internet but drawing shapes on paper and cutting them out</p>

Give children time to set up cafes &amp; shops, build forts and dens, play with dolls, cars/trains, action figures, dinosaurs etc. either This game is also good for practising spelling of all year 1 tricky words.
