

JASPER'S BEANSTALK

Nick Butterworth and Mick Inkpen

On Monday
Jasper found
a bean.

On Tuesday
he planted it.

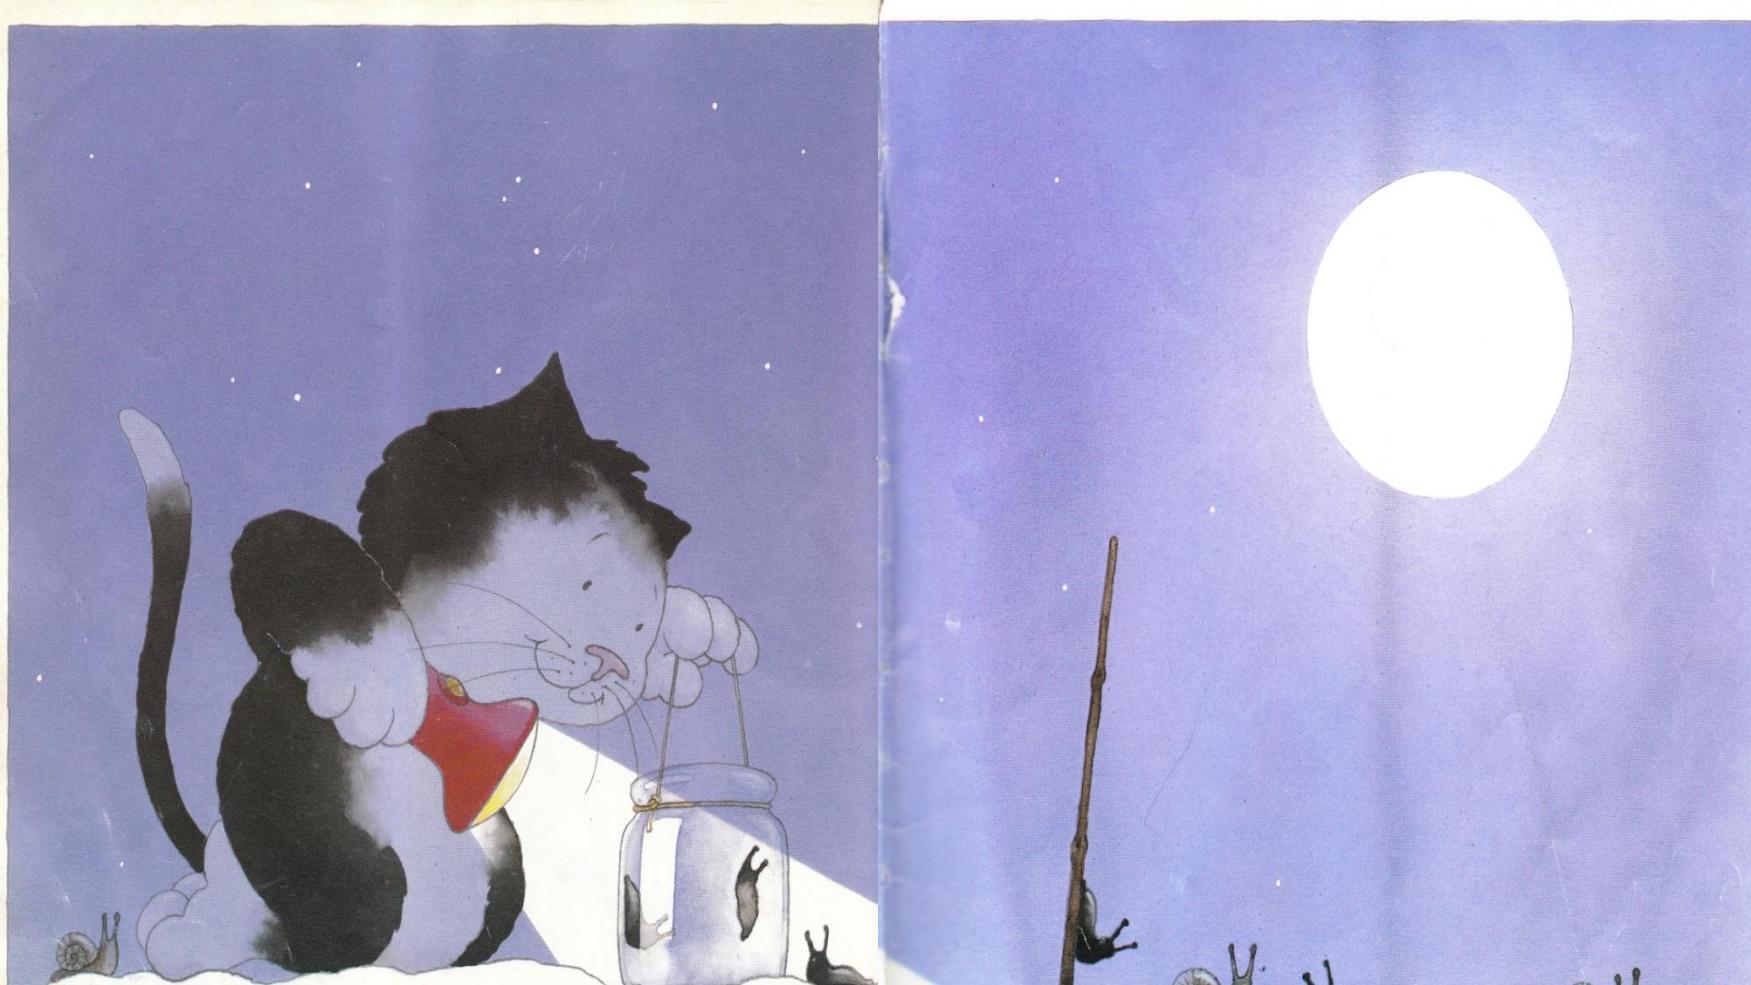

On Wednesday
he watered
it.

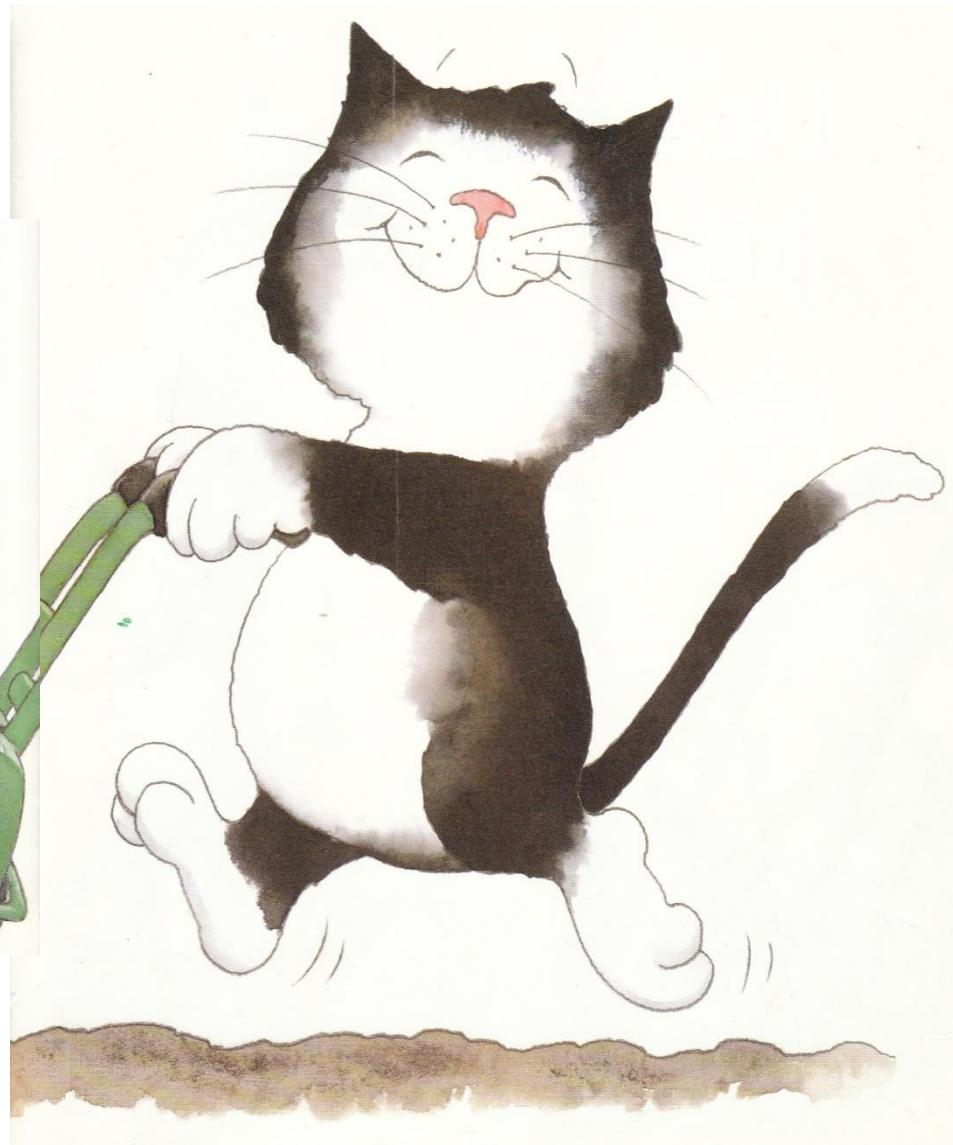

On
Thursday he
dug and
raked and
sprayed and
hoed it.

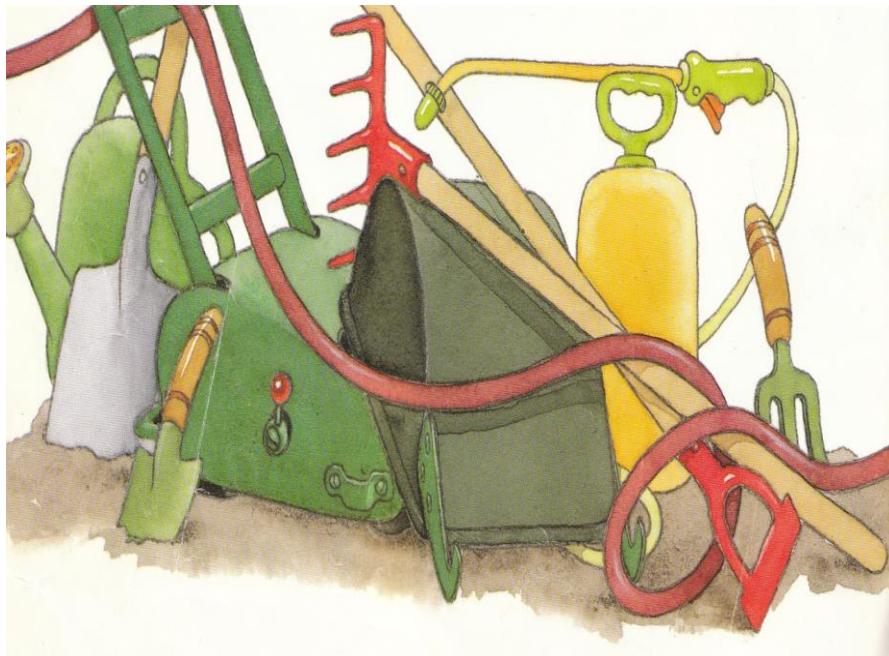

On Friday night he picked up all of
the slugs and snails.

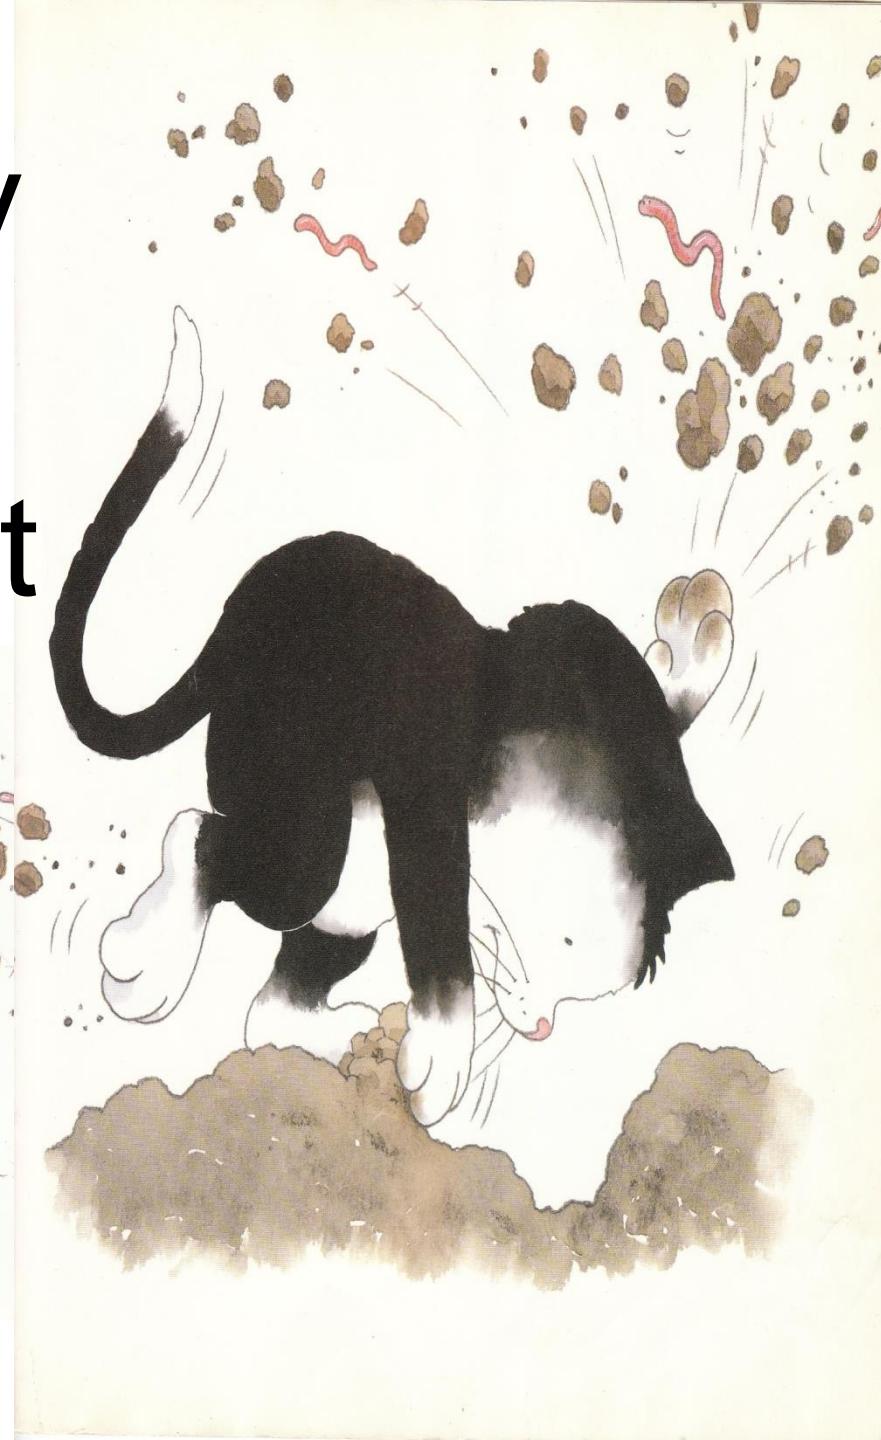

On Saturday
he even
mowed it!

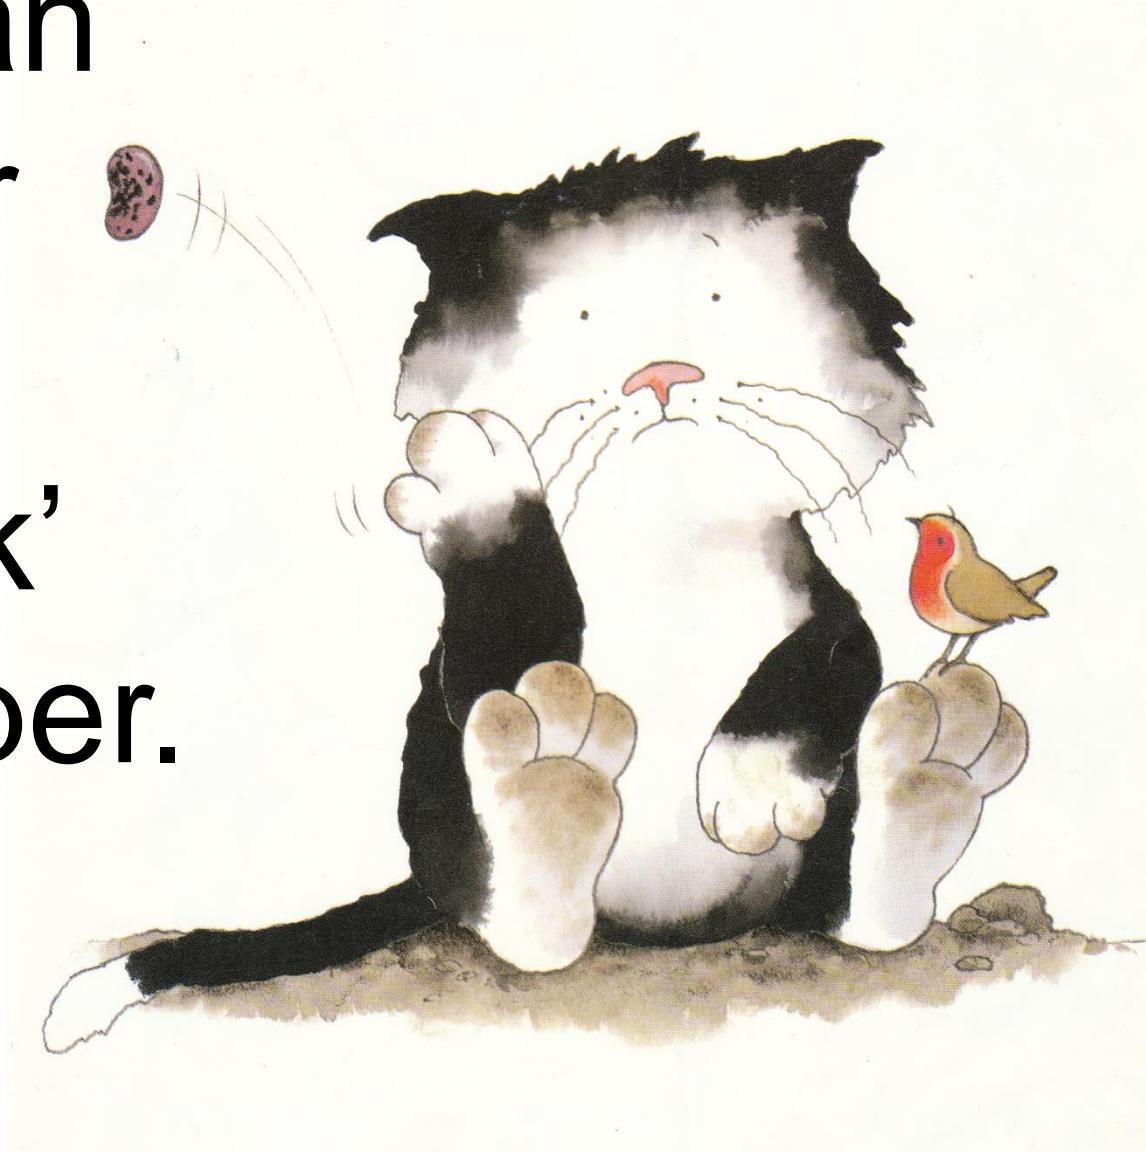

On Sunday
Jasper, waited
and waited and
waited.

When Monday
came around
again he dug it
up!

‘That bean
will never
make a
beanstalk’
said Jasper.

But a long, long time later...

It did!

(It was on a Thursday I think)

Now
Jasper is
looking
for giants.
