

LO: to use perspective within our sketches.

<https://www.bbc.co.uk/education/clips/zvq6sbk>

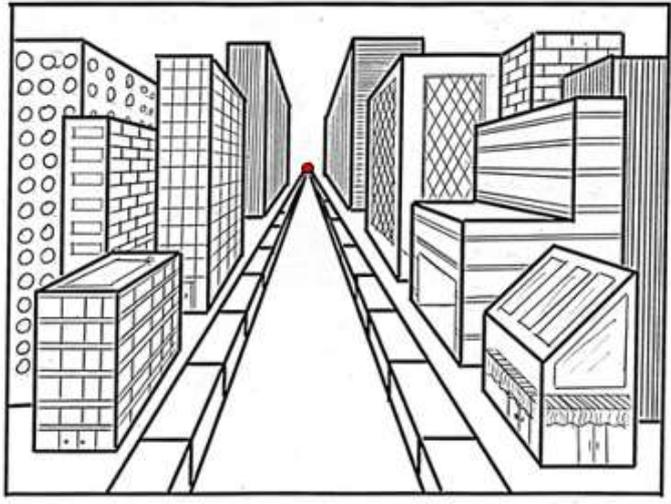

What can you tell me about perspective?
Which image uses perspective in them the most
looking back at the images from week 1?
Choose three images to discuss.

Perspective

Can you find the vanishing point in this drawing?

1. Draw a horizon line with a vanishing point.

2. Draw a square.

3. Shade-in the square, and draw lines going back to the vanishing point.

4. Draw lines parallel to the top and side of the square.

5. Shade-in the sides

6. Erase the extra lines.
