

Comparing Quantities in Teddy's Toy Shop

Instructions

I love living in the toy shop –
there are so many different toys!
Can you help me compare the sets
of toys?

Which sets have **more**?
Which sets have **fewer**?

Your grown up will read out the
question.

Remember to listen carefully and
point to the correct set.

Which set contains **more** toys?

Which set contains **fewer** toys?

Which set contains **more** toys?

Which set contains **more** toys?

Which set contains **fewer** toys?

Which set contains **fewer** toys?

Which set contains **more** toys?

Which set contains **more** toys?

Which set contains **fewer** toys?

Which set contains **fewer** toys?

Can you say two sentences to compare the sets of toys using the words **more** and **fewer**?

Tell someone in your family your sentences.
Try starting one sentence, 'There are **more**...' and the other sentence with 'There are **fewer**...'.

Can you say two sentences to compare the sets of toys using the words **more** and **fewer**?

Tell someone in your family your sentences.
Try starting one sentence 'There are **more**...' and the other sentence with 'There are **fewer**...'.

The End

**Well done – super
comparing!**
