Challenge:

1. Name 5 European countries that had lands that were part of the Roman Empire.

England (do not accept UK or Great Britain)

**The Netherlands/
Holland**

Bosnia and Herzegovina

North Macedonia

Italy

Luxembourg

Czech Republic

Albania

France

Germany

Slovakia

Montenegro

Spain

Austria

Hungary

Greece

Portugal

Switzerland

Romania

Bulgaria

Belgium

Slovenia

Serbia

2. Why do you think the Romans didn't conquer more of Europe?

Pupils' own responses, showing understanding of native people resisting Roman invasions, such as: 'I think the Romans didn't conquer more of Europe as the native people fought back and defeated their army (such as in Scotland). The further away lands were from Rome, the harder it was for them to be defended, so it may have been decided that the effort wasn't worth it.'
