you are

go back 3 spaces

have you

will not

take an extra turn

we are

you would

would not

we would

was not

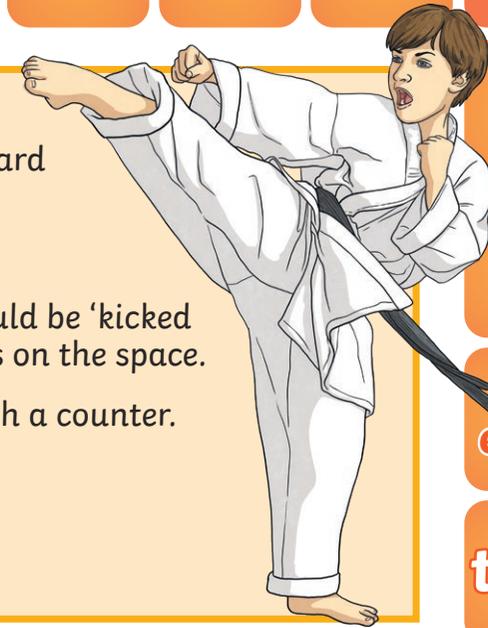

they have

should not

cover any answer

How to Play:

1. You will need dice, counters for players to move around the board and some more counters to cover the circle answer spaces.
2. Roll the dice and move forward the correct number of spaces.
3. Read the two words on the space and decide which letters should be 'kicked out' to make the word a contraction OR follow the instructions on the space.
4. Find the correct contraction on one of the circles and cover with a counter.
5. If the answer is already covered, miss a turn.
6. Continue around the board until all circle spaces are covered. The winner is the player who covers the most answers.
