

Enrichment Tasks

Year 3

Keep a diary about what you have been up to everyday.

Questions to help you:

How have you kept yourself entertained? Have you learnt a new skill? What have you found most difficult about being isolated? How have you helped others within your home?

Write a descriptive story using this picture as a stimulus.

"Follow me!" she whispered.

Think of interesting sentence openers, punctuation, paragraphs and adjectives and extend your sentences using conjunctions.

Write a letter to someone in your family or a friend that might need a positive pick me up and a picture to make them smile.

Paragraph	What to write about
1	You can introduce yourself and explain that you wanted to write to a member of the community who may not be able to see their family and friends as much during this time.
2	You might tell them about how this first week has been without normal school, or any changes at home.
3	You could explain their new daily routine.
4	You could ask questions - such as what changes they have they noticed this week?
5	You might end saying that you would be happy to write again over the coming weeks depending on when school returns.

Complete week 1 of White Rose Maths Home Learning, all about fractions. There are short videos to help with the revision before carrying out the activities.

You don't have to print the worksheets, they are editable on the screen (click on the pen).

Design a Times Tables board game for your family to play together and don't forget to write the rules.

Write a clear set of instructions including; bullet points or numbered steps, time conjunctions and diagrams if necessary. Look at the sets of instructions on the board games that you have at home to help you.

Hello everyone!

We hope you are all behaving well for your adults! The sun has been shining which helps to lift our mood. Hopefully, these tasks will keep you occupied. Enjoy the Easter break but don't eat too much chocolate!!

Stay safe and know that we're thinking of you,

Miss Khan & Mrs Stephens
